AIM AND OBJECTIVES

Aim: To enable community support, self help and resilience when faced with an emergency

Objectives:

- Identify hazards and possible mitigation
- Identify vulnerable groups within the community
- Identify key contacts
- Identify a community emergency management team
- Identify resources available to the community in the event of an emergency

ACTIVATION OF THE PLAN

The Plan will be activated when a member of the Emergency Team considers it necessary to take action in response to an incident and when action cannot be taken effectively without triggering the arrangements outlined in this document.

EMERGENCY TEAM

Members of the emergency team include the following:

- Cllr Bruce Jones – Emergency Co-ordinator
- Cllr Bruce Batting – Deputy Emergency Co-ordinator
- Cllr Alan Ball – Ex Officio Chairman of the Parish Council
- Cllr Sally Hennessey – Ex Officio Vice-Chairman of the Parish Council
- Other Councillors as required
- Other members of the community as appropriate

INCIDENT ROOM

An incident room will be established in one of the following locations:

- Village Hall – Reading Road, Sherfield on Loddon
- Sherfield Park Community Centre

INITIAL ACTIONS

- Gather as much information about the situation as possible
- Make contact with the emergency services
- Consider whether you can work safely from your current location or need to move
- Consider whether you need the Parish Council emergency team
- Arrange for contact to be made with those vulnerable members of the community
- Arrange for community resources/organisations to be made available
- Consider whether any additional members of the community need to be involved

POSSIBLE HAZARDS

1. Flooding
2. Total or partial loss of electricity
3. Total or partial loss of water
4. Total or partial loss of telephone
5. Major fire
6. Major road accident/loss of road access
7. Major aircraft accident
8. Major storm damage
9. Chemical spillage
10. Disease

ROLE OF EMERGENCY CO-ORDINATOR

- To maintain the Community Emergency Plan
- To provide a link with the Borough and County Emergency Planning Officers
- To call a community meeting (if required)
- To provide the focal community response to an emergency

PREPARATION FOR AN EMERGENCY

To allow yourself to be prepared for an emergency you should take time to find out:

- Where and how you turn off water and electricity supplies to your home
- The emergency procedures for your children at school
- The emergency procedures for your place of work
- How you would stay in contact with your family
- If any elderly or vulnerable people might need your help
- How to tune into your local radio station
- How to contact your household insurers

Also, you should:

- Ensure you keep a stock of bottled water, ready to eat food and a bottle/tin opener.
- Stock up on oil, wood, bottled gas or coal if a cold winter is predicted.
- Sign up to the **free flood warning service** offered by the Environment Agency using www.environment.agency.gov.uk or by calling **0845 988 1188**.

WHAT SHOULD YOU DO IN AN EMERGENCY?

- Call 999 if there are people injured or a threat to life exists
- **DO NOT PUT YOURSELF IN DANGER**
- Listen to the advice of the emergency services
- Stay calm and think before taking any action
- Try to help others and be reassuring
- If you are not involved or might be in danger – **GO IN, STAY IN, TUNE IN** to the local radio

WHAT SHOULD YOU DO IF YOU MIGHT HAVE TO EVACUATE YOUR HOME?

Gather together:

- A list of useful telephone numbers eg, doctor, close relatives (also see page 7&9)
- Home and car keys
- Toiletries, sanitary supplies and prescribed medication
- Battery radio with spare batteries
- Torch with spare batteries
- First aid kit
- Mobile phone
- Cash and credit cards
- Legal documents eg insurance policies, car registration forms, birth certificates
- Spare clothes and blankets

If you have time

- Turn off electricity, gas and water supplies
- Unplug appliances
- Lock all doors and windows
- If you leave by car, take bottled water, blankets and tune in to your local radio station

FLOOD HAZARD AND MAJOR STORM DAMAGE

If flooding is threatened you should contact the **emergency floodline** on **0845 988 1188**. For the deaf and hard of hearing there is a Minicom service; 0845 602 6340.

SANDBAGS: Hampshire County Council and Basingstoke and Deane Borough Council may not be in a position to supply sandbags in the event of an emergency and householders should make their own arrangements. Most DIY stores stock them. Alternatively, pieces of wood 12 – 15 inches high and about an inch thick cut to cover the outside of your doors can also provide an effective watertight seal, especially if wrapped in a wet towel or newspaper and nailed to the door jams. Remember to cover up air bricks on external walls.

SYNTHETIC ABSORBENT BAGS: These are a modern version of sandbags and can be bought empty or filled from most DIY stores. They can be filled with either wet earth or sand and will provide an effective seal.

SEWERS AND DRAINS: Using no-return valves, plugs, bungs and fixing drain covers can reduce flooding in these areas. Most builders' merchants will advise on this.

VALUABLES AND DOCUMENTS: Take anything of value upstairs or store above the likely water.

COPING WITH A FLOOD: Call your insurance company; check the classified telephone directories under 'Flood Damage' for suppliers of cleaning materials and equipment to dry out your home; contact the gas, electricity and water companies to have your supplies checked before you turn them back on; open doors and windows to ventilate your home; remember to unblock your airbricks when the water has receded; restock any used supplies for the next time.

LOSS OF ELECTRICITY: In the event of a full or partial loss of the electricity supply in your property or in the Village or surrounding areas, someone should ring the emergency telephone number **0845 770 8090** and report the fact. It would be wise to have a stock of torches with batteries or candles to hand in case of a prolonged power failure.

LOSS OF MAIN DRAINAGE:

Main sewers. Contact your insurance company for advice regarding the appropriate steps you should take. Someone should ring Southern Water **0845 2780845** and for general advice Basingstoke and Deane Borough Council Environment and Health Services **01264 368000**.

Septic tanks. Temporarily block the outflow, if possible, to the soakaway and use the tank as a cesspit. Arrange for the tank to be emptied as soon as possible,

Cesspit. If the cesspit fails due to rising water, arrange for it to be emptied. If it fills again it will be with groundwater and floodwater resulting in minimum pollution. Arrange for the pit to be emptied as soon as possible.

External water leak. If you find a water leak outside your home contact the emergency contact number on **0800 820999**.

COMMUNITY RESOURCES

Air Ambulance landing sites:

The Air Ambulance will land as close as possible to the scene if called out. Larger “designated” landing areas are the Sherfield-on-Loddon Village Green at map reference SU 678 579.
